Hi Jeaneanne,

Attached are a few edits from OWOW on the draft letter. One question we have is whether the flowcharts and materials referenced are available in the docket or online?

Thanks,
Mindy

Deliberative

All,

Following up from my email of yesterday, I am forwarding our last document for review closing the 30-day discussions. The letter includes a short response to the comments and indicates we considered all comments and determined that no amendment to the PA is needed. A copy is attached for your review and to keep everything together, I have also attached the draft letter I forwarded yesterday to the Seminole of OK and the Jena. As written, this letter is currently contemplated in the close out letter.

Please note, we have a call with the consulting parties tomorrow at 3. It would be most helpful for us to be able to indicate how we are closing this matter at that time and follow up very shortly with letters (e.g., late tomorrow or early Friday if possible). I know that you are all very busy but would appreciate your feedback.

Thanks
Jeaneanne
